

Listen to Creation

*Take time to look
beyond what I can see.*

*Explore creation like a book,
of stories that I read.*

*Listen to creation, watch, and see
God speaks through it to me.*

*There is so much more
to enjoy and explore.*

*Through what I pass each day,
Creation has much more to say.*

*Take time to pause
and look intently
to all that God created
beyond what I can see.*

*Listen to creation,
God is speaking to me.*
